Magnetic Latch Option

All TECNICA DESIGN levers are available with magnetic latches and strikes providing the perfect solution for ultra-quiet applications. With no protruding bolt or strike lip, these latches offer a clean, minimalist look for those looking to create unique, flush-to-wall, and snag-free installations free of unsightly latch bolts or strike lips.

- Strike and latch use strong neodymium (rare earth) magnets
- Ergonomic 30-degree activation
- Requires the same tools and preparation as classic tubular latches
- Pair with invisible hinges for unique flush-to-wall door installations
- Not for use in fire-rated applications
- Only available for Passage or Privacy (with auto-release) functions
